

COLORADO Right Life

Dear Friends,

Doesn't it seem a bit unbelievable that we are nearing the close of 2021? The past 18 months have been a bit of a blur for many of us. Regardless of what lies ahead, we welcome our Savior, Jesus Christ, to be our All in All. For it is in Him and through Him that we have our very being.

For we are his workmanship, created in Christ Jesus for good works, which God prepared beforehand, that we should walk in them. Eph 2:10

As Colorado RTL continues to fight this horrible and devastating evil called abortion, be encouraged that in many places across this nation, abortion is not simply a "settled issue". There are good men and women of God who have risen up and who are demanding the full abolition of this heinous injustice. And isn't this demand the only right and acceptable way, according to our Lord God Almighty?

For over a half century in Colorado there has been an entire movement decrying the injustice of murdering a baby in the womb. Yet, these same people are willing accomplices to further entrenching abortion into law through the regulating of the bloody practice.

In Genesis 3, Satan tempted Eve in the garden:

"Has God indeed said, 'You shall not eat of every tree of the garden?'" Likewise, we can hear Satan today saying, "Has God indeed said, 'Do Not Murder The Innocent?'" His Word clearly states, Do Not Murder The Innocent! Dear friends, we must obey God! It is not optional!

There is none more fatherless than the pre-born baby in the womb. We **must** continue, with all our might, to establish justice for the fatherless, as God's Word repeatedly exhorts us. God commands that we show no partiality-for example: pain capable **exceptions**, heartbeat **exceptions**, ultrasound **exceptions**, rape conceived **exceptions**. Our dozens of abortion regulations and incremental measures are iniquitous decrees and our holy God cannot align with this. For more than 50 years in Colorado we have been acquitting the guilty and condemning the righteous.

And will you profane Me among My people for handfuls of barley and for pieces of bread, killing people who should not die, and keeping people alive who should not live, by your lying to My people who listen to lies?

Ez 13:19

We **must** stop being deceived! We **must** stop listening to the lies! We are ambassadors for Christ, His representatives and we **must** not fear man!

Colorado RTL desires to honor God in all that we do and say. Our goal in the months ahead is to reach the churches to equip them with good, solid, biblical teaching materials. Will you help us by requesting these materials and taking them to your own churches? Are you interested in having someone come speak to a group about abolition? Please contact us! Let's work together in this effort to bring honor and glory to God and to protect the tiniest among us.

In closing, we at Colorado RTL are so very grateful for your support and your trust in the past year. We have seen souls changed for eternity, tiny babies saved from extermination at the hands of hired assassins and thankfully, so many new faces have come to join us at the death camps. We plead desperately for the lives of these very real, tiny neighbors of ours. Oh how beautiful a sight to see the saints gathered in the name of Jesus! We want **you** to come help us! Call or email our office for more information.

Some goals for 2022 include another billboard project, creating new teaching materials for church outreach and purchasing information booths at upcoming conferences.

We ask you to please give generously that we may continue the work set before us. Your year-end donation is so important and very much appreciated by our volunteer directors. You may donate securely at our website or use the enclosed envelope. Thank you for your sacrificial generosity and gift of love.

Blessings and peace to you this Christmas and for the New Year.

Save The Date!
March For Abolition 2022
Saturday, January 22, 10:00am-Noon
In front of Planned Parenthood
7155 E 38th Ave, Denver

For Christ and every Innocent,

The Directors, CRTL
