

So We Do Not Lose Heart

Dearest Friends,

As I meditate upon God's Word and contemplate writing to you, I turn to the Apostle Paul and his New Testament letters to his dear brothers in Christ. He hands out much exhortation and admonition but what moves me most is his deep love, encouragement and concern for the body of Christ. Paul's commitment to the person and message of Jesus Christ is as clear as a bell.

Through the ages, times and troubles may change and certainly, today's landscape is vastly different from Paul's but truly, there is nothing new under the sun. Good and evil continue to wage war against one another. There really is no gray area, every man is either for Him or against Him. So we do not lose heart, as Paul tells us in 2 Corinthians 4:16.

CRTL continues to fight the battle on behalf of our pre-born neighbors, always with your help. As 2022 soon comes to a close, let's reflect upon some of the battleground and activity and events that took place:

The Billboard Project

March for Abolition

Testimony until 3:00am in the House and Senate on the wicked HB 1279

Republican State Assembly booth in Colorado Springs

Western Conservative Summit booth, two-day event

Rocky Mountain Regional home school conference booth, three-day event

An evening with Seth Gruber, pro-life speaker

Because of RHEA and their love for baby-killing, those in power in Colorado and their supporters have codified into law their sacred sacrament of abortion. **But let us not lose heart.** Christ is coming back to make all things new, to make all things right and to lay claim to what is His. Until that day, our duty as His people continues to be, preach the gospel, point all men to Christ and our great salvation through Him and always uphold equal protection for our posterity. Let us press on toward the goal for the prize of the upward call of God in Christ Jesus. Phil 3:14.

"Time and tide wait for no man." Whether you attribute those words to Saint Marher in 1225, Chaucer in 1368 or Nashe in 1596, the sentiment still rings true as we soon

find ourselves in the year 2023. So let us go boldly in Christ, leaving behind the things of the past as the apostle Paul tells us.

We have just placed two billboards under contract for 24 weeks! One is in Pueblo where a new abortion facility is to be built and another near La Junta where abortion-minded women will likely travel, toward Pueblo, Colorado Springs or even Denver to the surgical abortion centers there.

In closing, I ask you to prayerfully consider Colorado Right To Life in your year-end giving that through your generosity we all might continue to fight the battle for the preborn child, the Image Bearer of the Living God and to continue upholding the sanctity of life for the baby in the womb. Your giving allows the message of LIFE to be proclaimed in Colorado.

*And when Elizabeth heard the greeting of Mary, the baby leapt in her womb. And Elizabeth was filled with the Holy Spirit, and she exclaimed with a loud cry, "Blessed are you among women, and blessed is the fruit of your womb!"
Luke 1:41-42*

God grant you grace and peace in the new year!

With great gratitude and love,
Susan Sutherland
